

**Policy name:** Documentation – First Aid/CPR

**Policy category and number:** Registration

**Developed by:** Registration Committee

**Approval by Council:** NLCHP Council Meeting

**Date:** July 26, 2012

**Overview of policy:** The College of Traditional Chinese Medicine Practitioners Acupuncturists of Newfoundland and Labrador (CTCMPANL) as part of its membership require members to maintain current certificates in First aid/CPR. The Registration Committee of the Newfoundland and Labrador Council of Health Professionals (Council) supports CTCMPANL’s policy and has included it as one of the requirements for registration for Traditional Chinese Medicine Acupuncturists. The Newfoundland and Labrador Council of Health Professionals (“Council”) is a public body who must comply with the objectives and principles of the *Access to Information and Protection of Privacy Act* (ATIPPA). The information collected as part of the registration process is for Council use only and will be utilized for several purposes inclusive of registration, renewal, discipline and quality assurance.

**Policy:** Applicants must provide documentation acceptable to the Registration Committee supporting successful completion of a First Aid course and a successful completion of a CPR Course. First Aid course must be completed within the past 3 years; CPR must be completed within the last year.
